which is spreading out until it covers the planet. The Archangels are concentrating on India. The Maha Chohan is responsible for all that energy poured out by those Mighty Beings. It passes into His consciousness and the greater the pressure from the Beings above, the more control He has to hold as He embodies it. He then releases it to each one of the Chohans, and each one of Us is taxed to His full capacity this night.

At the moment the Transmission Flame activity begins, each Chohan enters into the heart of His own Lotus-lily and will press the momentum of His Gift to every member of the race belonging to His Ray. We have opened the door tonight so that the discarnates and those awaiting physical birth may be similarly blessed. The Beloved Dywal Kul, acting for Me, standing with the Maha Chohan, is rendering the Service, as He always does, as Sponsor for the Retreat, and He has welcomed the guests since the 15th of the month. He has been acting for Me until I can enter the Flame Myself. Now, I will ask you all to enter the Heart of the Silence and draw into yourselves the seven Gifts of the Holy Spirit from the Heart of the Maha Chohan.

Thank you and God bless you.

Beloved Ones:

Holy men and women whose motives were pure and who aspired, through the feeling of their own hearts, to union with Divinity, have often been pictured as surrounded by Cherubic and Angelic Beings who poured the gifts and radiance of their Presence into the soul of the aspirant, bringing that spiritual nourishment and assuaging the heart thirst for the Higher Realms toward which they aspired. You have all seen I am sure, the picturization of Saint Cecelia whose music was said, and truly, to have drawn, not only the recognition, but the pleasure of the Angelic Host.

In the lower realms that make up the atmosphere of Earth, there are many members of the Angelic Host, of the Seraphic and Cherubic Guard, who have voluntarily entered into this unseen realm of thought and feeling, and minister, by radiation, to the heart Flame of both incarnate and discarnate souls. These heavenly beings always welcome the aura and radiation of lifestreams whose own heart Flame is aspiring toward a greater expression of oneness with God and a greater expansion of God's Kingdom - although the outer mind is oftimes unaware of the ways and means by which such accomplishment can be affected.

The coming Age of Freedom will bring a tremendous at-one-ment between sensitive Earth spirits

and the Angelic Host, who will work hand in hand, and heart to heart in the establishment of God's Way on Earth. Meanwhile as these Heavenly spirits are temporary exiles from the realms of Peace and Harmony, the creation and sustaining of an atmosphere in which they can find refreshment and peace is a great service that has, as yet, not been understood by the travelers on the Path. In the physical homes and gardens of people there could be set aside sections where everything could be made conducive to the presence and sanctuary of the Angelic Host - and those places would be so highly charged by Their Presence and Their Gratitude that any human being who stepped within them would experience the ecstacy of the Kingdom of Heaven which is the natural radiation of the Angel..

In the East; in the south of France; in the Scottish moorlands; there are certain old gardens and secluded spots in nature which, many centuries ago, were dedicated by pure souls to the Angelic Kingdom, and sensitive people can instantly feel these radiations. In the future places like these will be natural healing centers. Any lifestream can dedicate such a place and then take the responsibility of drawing and focusing the love of the Angelic Kingdom if he or she should so desire to render a service to these exiles of Love.

In the great Himalaya Mountains there are way-stops for the travelers where they may gain rest and protection from the forces of the elements as well as an opportunity of rebuilding their strength for their spiritual journey. In a like manner, these foci for the Angelic Kingdom must be established preceding their entrance and their stay in

the lower octaves of Earth. They love flowers, natural perfumes, light and airy spaces, music, and - of course - primarily Peace.

Let Me see now what you will do with this suggestion.

Blessings and Love,

MAHA CHOHAN

Beloved Mighty Presence of God - I AM in me; and Beloved Mighty Himalaya:

Seal us in the Blue Lotus Flame of Cosmic Love divine;
Seal us in Its Heavenly Peace, and through us let it shine.
Let Its petals now enfold us - draw us to Its Heart;
Make us feel the Cosmic Truth that WE CAN NEVER PART!

Expand, expand, fore'er expand this Cosmic Truth for all!
The "I AM" Flame within my heart IS the Love for which I call.
